

CREATIVE ART & CRAFT  
Show & Sale 9th - 11th July

# Creating fun and inspiration for all!

The Creative Art and Craft Show is taking place at the Bromsgrove Hotel, on the A38 just off junction 4 of the M5. The Show will relaunch many small businesses that have been unable to trade effectively over the last 12 months.

Most importantly it gives our local community and the Midlands region a great opportunity to experience a continental street party atmosphere without getting on a plane! It promises to be an inspiring fun event designed for the whole family to enjoy and have a great day out. What's more, its free entry.

At the Show, in the newly refurbished Hotel, there will be ample opportunities to select hand-crafted and Midlands designed goods, for use in the home and garden. There will be a wonderful mix of gift and table items, side by side with accessories for Summer, textiles and toys.

Local amateur art groups are also displaying their talents and offering a full range of pastels, oils, watercolour and much more, original artwork at truly affordable prices. Visitors will have the opportunity to watch a pastel demonstration (amongst others) or sign up to join a local class and get 'hands-on' with a new creative skill.

To top the lot there will be a Curated Art Exhibition - with submissions from across the Midlands. This quiet and reflective Zone is designed to lift, inspire and elate your senses.
